Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for standard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

### Operating Guide User Manual

How to make an instruction manual template. User manual templates are well-written documents which help guide the users about the product. This would usually be a hard-copy document or an electronic one. The important thing is it's included with the product. Great manuals should be able to educate the users adequately.
