The Wild Child unleashed is a force to be reckoned with: a force not bears, wildcats or even an entire crew of Storm Kings can handle. A pretty good book. It seems Max Arrins was indeed a wild child. She was a great character to root for and connect with. An easy, sweet read. Thanks, NetGalley for the advance copy to review.

This book was one of my favorites as a child and was passed down to me by my father. The book follows a boy who encounters a fly who is going by in a rush. This particular fly is being followed by a frog and the frog is being followed and so on and so forth up until there is a sheep with its foot stuck in a can.
